About Get Off The Bus Concerts

Get Off The Bus Concerts came about through the vision of Joe and Fatima Bamford, former owners of HALJOE COACHES. After a long and varied career in the music and entertainment industry Joe thought, "Wouldn't it be fun to do some concerts with some people who have traveled on our buses over the years?" Inspired by their daughter, Jenn, who fundraises relentlessly for several organizations in her hometown of Moncton, New Brunswick, Joe and Fatima realized the importance of giving back so decided to turn their concert idea to draw attention and support for worthwhile causes. Some of the concerts have included Willie Nelson, Kenny Rogers, Merle Haggard, Olivia Newton John, Styx, Trace Adkins and Neil Sedaka. For more information visit GetOffTheBusConcerts.com
